</lyrics>

anata kara
ai wo tsuibamu hodo
kanashii yume
saezuru kotori
watashi wa

shira nai namae wo
anata ga yo n dano
watashi nemuru furishite
yami wo miru

sono ude ga
yoru goto watashi no kago

sora hamou
hirosu gite tobe yashinai

anata wa tsumetai
ibara no natsume na no
itsumo watashi wo dai te
bishou udate

</Lyrics>
Small bird
I who drag even a sad dream
so as to peck
love from you

The name that I do not know
You called it
I pretend to sleep and
I watch darkness

The arm
It is my basket at night

The sky already
It is too wide and cannot fly

You are cold
It is a thorny splinter
Always embrace me
I laugh slightly
