

# Ali Tatyana, Boy You Knock Me Out

Ali Tatyana  
Kiss The Sky  
Boy You Knock Me Out  
From the moment that I saw you, babe  
All I think about is loving you  
Every time that you are near,  
I just can't help but stare;  
I'm dreamin' of eternity with you

So maybe I can runaway with you;  
Imagine all the things we'd do,  
Oh, babe,  
Call my name and make this fantasy for real.

Baby I can runaway with you;  
Imagine all the things we'd do,  
Just call my name, call my name,  
and make this fantasy for real.

Oh no...

Refrain:  
Can't hold it, I can't fight it,  
I'm on you, and I can't deny it.  
It's all about the things you do,  
Boy, you knock me out.

Refrain.

Can you feel the vibes I'm sendin', baby?  
All me energy and thoughts towards you.  
There's no way I could let go  
of all these dreams and hopes --  
anxiety so deep, the other so new.

Just maybe I can runaway with you;  
Imagine all the things we'd do,  
Call my name, call my name,  
And make this fantasy for real

Babe, can we runaway with you?  
Imagine all the things we'd do,  
Just call my name, call my name,  
And make this fantasy for real.

'Cuz, boy, you knock me out.

Refrain x 2

Fallin' for you, this love's a TKO...  
Fallin' for you baby...  
Fallin' for you, baby...  
'Cuz, boy, you knock me out.  
x 2

Refrain.

I'm fallin' for you baby.  
I'm about to lose control.

Refrain

Can I runaway with you?  
Imagine all the things we'd do.

Refrain

I just want to hold you baby.  
I just want to hold you and die.

Refrain x 3.
