

# Alias, After All The Love Is Gone

Round and round, in a haze  
Every night waiting for you  
You run hot, then you're cold  
But this game you play is, getting old  
Now it's time you learned, with fire you're  
gonna get burned  
And my heart is stone, I'd rather be alone  
Just turn and walk away

There ain't nothing you can ever say  
Nothing you can do to make me stay  
After all, the love is gone, it's gone

I closed my eyes, pretend that there was nothing wrong  
In my heart, in my soul, I remember every lie  
you told

Now I stand my ground, never gonna turn around  
And my heart is stone, I'd rather be alone  
Just turn and walk away

There ain't nothing you can ever say  
Nothing you can do to make me stay  
After all, the love is gone  
You can beg me down on your knees  
You can tell me that you'll never leave  
After all, the love is gone Ya Ya

I'm gonna close that door, forget you're alive  
Don't come around no more, I'm walking away
