

# Alice Cooper, Disco Bloodbath Boogie Fever

Yo yo yo... whoah oh oh  
Yo yo yo... whoah oh oh  
Here you are in the club  
With your bottle full of bub  
You got grill, you got bling  
But playa you don't know a thing  
Put your hands in the air  
Stick 'em up like you don't care  
Face the wall, count to ten  
We mow you down, reload again  
Oh no... here we go!  
Disco who, Disco what  
Get down on your knees and keep your trap shut  
Disco this, Disco dat  
When dis goes to hell, dat's where we're at, where we're at  
Yo yo yo... whoah oh oh  
Yo yo yo... whoah oh oh  
Disco Bloodbath Boogie Fever  
Disco Bloodbath Boogie Fever  
Disco Bloodbath Boogie Fever  
Disco Bloodbath Boogie Fever  
Bodies here, bodies there  
Piles of bodies everywhere  
On the chairs, on the door  
Disco bloodbath on the floor  
Hear 'em yell, hear 'em scream  
Just like someone's SCARY dream  
Dig a hole, push 'em in  
Tomorrow they'll be back again!  
Oh no... here we go!  
Disco who, Disco what  
Get down on your knees and keep your trap shut  
Disco dis, Disco dat  
When dis goes to hell, dat's where we're at, where we're at  
Yo yo yo... whoah oh oh  
Yo yo yo... whoah oh oh

We cleaned the house tonight  
(We cleaned the house tonight)  
We did our job all right  
(We did our jobs all right)  
We turned out all the lights, OK?  
We were sent to let them know  
(I think we really let 'em know)  
It was time to let them go  
(They really had to go)  
'Cause we're the ones who close the show, OK?
