

Alice Cooper, Identity Crisis

Sometimes I'm James Bond
Sometimes I'm Billy The Kid
Sometimes I feel like Sherlock Holmes
Sometimes I feel like Jack The Ripper

'Cause I got an image out of control
Identity crisis
I don't need a new face
'Cause mine's been erased
Identity crisis

Sometimes I'm on a case
Sometimes I'm shooting bad dudes
Sometimes I'm slashing the face
Sometimes I'm looking for clues
Sometimes I'm braking the law
Sometimes I'm solving a crime
I'm always fast on the draw
I get the girls all the time

'Cause I got an image out of control
Identity crisis
I don't need a new face
'Cause mine's been erased
Identity crisis
