

Alice Cooper, Is Anyone Home

Talking in my sleep, next to no one
Never never, say never again
I can't rise and shine
No I won't even try
My rainy windows are crying crying
Should've Would've Could've been
Like it should've been
A contender like Marlon Brando
Eani Meani Minei Mo
Caught a virus won't let go
Been down so long it looks like up to me
I'm so lonely, I can almost taste it
In a perfect world, I'd just be wasted
Send me an angel, wrap me in her wings
Hello, Hello, Hello.
Is anyone home?
Well, people love to talk
When I can hardly walk
To them I'm probably just the "News at Eleven"
It's the edge of night
As the world turns
Misunderstood it's just the wrong medication
I wish, I wish, upon a star
I wish it hadn't gone this far
Been up so long it looks like down to me
I'm so lonely, I can almost taste it
In a perfect world, I'd just be wasted
Send me an angel, wrap me in her wings
Hello, Hello, Hello.
Is anyone home?
Hello, Hello.
I'm really really wasted
I live in a big doll house
And nobody's home
Just me and my mouse
I live in a big dark house
And nobody's home
Just me and my mouse
I'm so lonely, I can almost taste it
In a perfect world, I'd just be wasted
Send an angel, my own little angel
Hello, Hello.
Is anyone home?
Is anyone home?
Hello, Hello
Is anyone home?
Hello, Hello, Hello
Is anyone home?
Hello, Hello
Is anyone home?
Hello, Hello, Hello
Is anyone home?
Hello, Hello, Hello
Is anyone home?
Hello, Hello, Hello
Is anyone home?
Hello, Hello, Hello
Is anyone home?
