

Alice Cooper, Killed By Love

I've got more to lose, more to lose than you
Cause I'm the only one in love between us too
I know that I've been struck by lightning from above
Cause I've been killed by love

I got a longer fall, a longer fall to take
Cause I'm a bigger fool with a bigger heart to break
You pushed me way to far, a push became a shove
And I was killed by love

Drop me off in a crowded lonely city
Everybody there was crying
Drop me off in a town without pity
And let me be the one that's dying

Killed by love
Killed by love
Killed by love
Oh bye bye love

Ha ha ha ha

Killed by love (killed by love)
Killed by love (killed by love)
Killed by love (killed by love)
Oh bye bye love (oh bye bye)

Killed by love oh yeah
Killed by love, I'm thinking fast baby
Killed by love, you know you're killing me baby
Baby, baby
Oh bye bye love
