Alice Cooper, Lay Down and Die, Goodbye

Alice Cooper Miscellaneous Lay Down and Die, Goodbye Well I pray in my final hour For the people who yet must die For the liars and the robbers □And the cheating crimes □Who tortured the deadly times □Well I've written home to mother ☐The ink ran from my tears ☐ said "Momma, momma, oh please. □Tell me why you've brought me here" □Well I'll hang on another minute But really I have to go [But really I have to know] ☐ If you ever want to see me again ☐You know what you can do □Well I've written home to mother ☐The ink ran from my tears ☐ said "Momma, momma, oh please. □Tell me why you've brought me here"
