

Alice Cooper, Mr. And Misdemeanor

Mr. and Misdemeanor
Middle of the roaders
Set beside the ocean
Landscapes an' laws agoshin'
Who put all of this in motion
Lucky Luciano
Kenneth Pasarelli
You take the modern mosquito
To every big city
I sit beside Misdemeanor
Here's new pretties for you

Nobody likes me, but we adore you
da da d-da da, yeah yeah yeah yeah

[Cheers]

Nasty Misdemeanor
Kickin' in the windows
Parked beside the ocean
Landscapes an' laws agoshin'
Who put all of this in motion
