

# Alice Cooper, Serious

When I look back at my time at the track  
And I played and I played and I played and I was  
Shooting the craps at the back of Fat Jacks  
Come on fade me Jake  
Im a Las Vegas dreamer they took to the cleaners  
A bath what a bath what a bath Id take  
A fish on a hook I was rattled and shook cause I lost my stake  
I took that serious  
All of my life was a laugh and a joke  
And a drink and a smoke  
And then I passed out on the floor  
Again and again and again and again and again  
Im a gambling fool with a roll and cue  
Wanna play wanna play wanna play with me  
Put my ass on the line rubbed my nose in the grime  
And they picked me clean  
The chance and the game drove Old Silky insane  
What a pain what a strain on my brain it was  
A fish on a hook I was rattled and shook cause I lost my stake  
I took that serious  
All of my life was a laugh and a joke  
And a drink and a smoke  
And then I passed out on the floor  
Again and again and again and again and again  
Serious it was serious oh so serious  
Serious it was serious oh so serious  
All of my life was a laugh and a joke  
And a drink and a smoke  
And then I passed out on the floor  
Or a friend  
Again and again and again and again and again  
All of my life was a laugh and a joke  
And a drink and a smoke  
And then I passed out on the floor  
Or a friend  
Again and again and again and again and again and again  
And again and again and again and again and again  
And again and again
