

Alice In Chains, Check My Brain

So I found myself in the sun, oh yeah
A hell of a place to end a run, oh yeah
California, I'm fine
Somebody check my brain
California's all right
Somebody check my brain
Check my brain anekatips.com

I walk these streets, I creep and I fall, oh yeah
When she sang I answered the call, oh yeah
California, I'm fine somebody check my brain
California's all right somebody check my brain
Aaaaah tears have filled my bones
Aaaaah years expended gone

I hung my guns and put em away, oh yeah
The trick of the trade, and by the way, oh yeah
California, I'm fine somebody check my brain
California's all right somebody check my brain

Aaaah tears have filled my bones
aaaah years expended gone
(Repeat)

Check my brain, check my brain...
