

# Alice In Chains, Voices

Who am I?  
Is this me?  
Am I wrong?  
Or thirteen?

I've gone cold  
Hard to deal  
Used to stand  
Where I kneel

Everybody listen  
Voices in my head  
Everybody listen  
Cause you'll see what mine says

I want more  
Than I need  
I don't know  
What is real

Everybody listen  
Voices in my head  
Everybody listen  
Cause you'll see what mine says

Every time I listen  
Voices in my head  
Everybody listen  
Cause you'll see what mine says

Whispering their names  
Faces, uniforms I've worn  
Now that it's gone  
Always climbing  
To fall down again  
Holding on to everything  
It's not what it seems

I've been told  
Dreaming's free  
Think I'll go  
Back to sleep

Everybody listen  
Voices in my head  
Everybody listen  
Cause you'll see what mine says

Every time I listen  
Voices in my head  
Everybody listen  
Cause you'll see what mine says

Calling out their names  
Faces, uniforms I've worn  
Now that it's gone  
Always climbing  
To fall down again  
Holding on to everything  
It's not what it seems
