

Alice Peacock, Forgiveness

Can music change the world?
Yeah, I think it can
Can love conquer all?
Well, I know it can
Can we tear down this wall
Between you and me?
Not without forgiveness
Forgiveness is hard, it's unnatural
Doesn't come from the heart
It's a choice you know
There's nothing more beautiful
Than the power of forgiveness
Forgiveness, it's the hardest thing to do
But it all comes down to forgiveness
Look inside your heart and I'll look in mine
Are we so far apart
That we can't cross that line
Where but for the grace of God
Would we be without forgiveness?
Forgiveness, it's the hardest thing to do
But it all comes down to forgiveness
Somewhere in the dark there's a distant light
A place where we can start
To bring love back to life
Travel down that road with me I know that
We can find forgiveness
Forgiveness, it's the hardest thing to do
But it all comes down to forgiveness
Yeah, I still believe
That sometimes we all need forgiveness
