

Alice Peacock, Only A Memory

Since you've been gone it only rains from my eyes

No blue skies

I'm not strong enough to take the pain

It cuts so deep, I can't sleep

The shirts in the closet still smell of you

I don't know what I am supposed to do

Now that you're gone away from me

I am so blinded I can't see

How I can get through this life without you

When you're just a memory

I think the weekends may be worst

All that time, it's a curse

I've saved your message on my phone

Makes me feel not so all alone

I pray to God that he will see me through

And maybe in time I'll get over you

[Chorus]

For once in my life

I had a love

The love of my dreams

And that was enough

[Chorus]
