

Alice Taylor, In my dreams

AH
Can't be wrong
AH
It's so strong
You are the only one
Touch my heart so strong
You gave me things
These imagine things
I was waiting for so long
In my dreams i think of you
In my dreams i feel so close to you
In my dreams i never knew
I am dream and like a child to you
I love you
This should be a part of you
You are so far away
I miss you everyday
In my dreams i think of you
In my dreams i feel so close to you
In my dreams i never knew
I am dream and like a child to you
You are far away
So far away
You are far away
So far away
In my dreams i think of you
In my dreams i feel so close to you
In my dreams i never knew
I am dream and like a child to you
In my dreams i think of you
In my dreams i feel so close to you
In my dreams i never knew
