

# Alicia Keys, 28 Thousand Days

Blood in my eye, hand on my heart  
Feet on the ground, head to the sky  
'Cause trouble ain't no friend of mine  
I'm not giving it up, no more wasting time

If you had 28 thousand days  
Who would you love?  
Where would you go?  
What would you celebrate?  
I'm telling you that life's too short to just throw it away  
So have the time of your life,  
So have the time of your life

Back from hell with my angel wings  
Ain't no fear in my voice  
'Cause I'm making a choice  
The devil ain't no friend of me,  
and that clock on the wall, yeah it's telling me

There's only 28 thousand days  
Who would you love?  
Where would you go?  
What would you celebrate?  
I'm telling you that life's too short to just throw it away  
So have the time of your life,  
So have the time of your life

There's only 28 thousand days  
Who would you love?  
Where would you go?  
What would you celebrate?  
I'm telling you that life's too short to just throw it away  
So have the time of your life,  
So have the time of your life
