

# Alicia Keys, Brandi Carlile, A Beautiful Noise

I have a voice  
Started out a whisper  
Turned into a scream  
Made a beautiful noise

Shoulder to shoulder  
Marching in the street  
When you're all alone  
It's quiet breeze

But when you band together  
It's a choir  
Of thunder and rain  
Now we have a choice  
Cause I have a voice

I am not living to die  
Don't stand in a wasteland  
Look at me in the eye  
Stop living a lie  
And stand up next to me  
You've got to put one foot on front of another  
With a hand in a hand holding on to each other  
Go on and rejoice  
Cause you have a voice

It is loud, it is clear  
It's stronger than your fear  
It's believing you belong  
It's calling out the wrong  
From the silence of my sisters  
To the violence of my brother  
We can we can rage  
Against the river  
Feel the pain of another  
I have a voice
