

Alicia Keys, How To Save A Life

Step one you say we need to talk
He walks you say sit down it's just a talk
He smiles politely back at you
You stare politely right on through
Some sort of window to your right
As he goes left and you stay right
Between the fear and blame
And you begin to wonder why you came

Where did I go wrong?
I lost a friend
Somewhere along in the bitterness and
I would have stayed up with you all night
Had I known how to save a life

Let him know that you know best
'Cause after all you do know best
Try to slip past his defense
Without granting innocence
Lay down a list of what is wrong
The things you've told him all along
Pray to God he hears you
Pray to God he hears you

Where did I go wrong?
I lost a friend
Somewhere along in the bitterness and
I would have stayed up with you all night
Had I known how to save a life

As he begins to raise his voice
You lower yours and grant him one last choice
Drive until you lose the road
Or break with the ones you've followed
He will do one of two things
He will admit to everything or
He'll say he's not the same
And you'll begin to wonder why you came

Where did I go wrong?
I lost a friend
Somewhere along in the bitterness and
I would have stayed up with you all night
Had I known how to save a life
Where did I go wrong?
I lost a friend
Somewhere along in the bitterness and
I would have stayed up with you all night
Had I known how to save a life

How to save a life

Oh, where did I go wrong?
I lost a friend
Somewhere along in the bitterness and
I would have stayed up with you all night
Had I known how to save a life
Where? Ooh
Somewhere, somewhere
I would
Have stayed up with you all night
Had I known how to save a life
How to save a life
How to save a life
