

# Alicia Keys, I Need You

Nah nah nah nah nah no... no no no  
Nah nah nah nah nah no... no no no

The sand loves when  
The waves come  
The sky cant wait  
For the light of the sun

So how could you  
Look me in my eye  
And not see what  
What I feel inside  
Tell me how could you  
Doubt the fact that I  
I love you, I love you

Dont you ever (Think like that)  
Dont you ever (Never do that)  
There will never be two things  
That go together better than you and me

North needs south  
East needs west  
And no needs  
Yes, yes, yes  
Up needs down  
Life needs death  
And no needs  
Yes, yes, yes

I need you  
I need you  
I need you  
I need you

So how could you  
Look me in my eye  
And not see what  
What I feel inside  
Tell me how could you  
Doubt the fact that I  
I love you, I love you

Dont you ever (Think like that)  
Dont you ever (Never do that)  
There will never be two things  
That go together better than you and me

North needs south  
East needs west  
And no needs  
Yes, yes, yes  
Up needs down  
Life needs death  
And no needs  
Yes, yes, yes

I need you (Oh Baby)  
I need you (Everyday)  
I need you (I need you yeah)  
I need you  
I need you (I need you)  
Said I need you baby

Like the desert needs the rain (Like the desert needs the rain)  
Like joy needs pain  
Hey hey hey  
Hey hey hey  
Hey hey hey...
