

Alicia Keys, Lifeline (From the Original Motion Pic

Darling this world ain't for
The faint of heart, nah
Feel like we were made
To fall apart

I can build your heart an army (yeah)
Don't gotta do this all by yourself
If you need someone you call me (yeah)
You got me (yeah)
You got me

I can be your lifeline
Stay with you 'til the sunrise
When you're low
It don't mean you're alone
I'll be by your side
Oh, I can be the reason
That you don't feel your demons
When you're low
It don't mean you're alone
I'll be by your side

Oh, I could be your lifeline
Oh, I could be your lifeline

Highs and lows
Lights will glow
And they'll fade
Reach your hand out in the dark
And I'll meet you halfway

'Cause your heart's an army (yes it is)
Don't gotta do this all by yourself
If you need someone you call me (all you gotta go)
You got me (all you gotta do)
You got me

I can be your lifeline
Stay with you 'til the sunrise
When you're low
It don't mean you're alone
I'll be by your side
Oh, I can be the reason
That you don't feel your demons
When you're low
It don't mean you're alone
I'll be by your side

Oh, I could be your lifeline
Oh, I could be your lifeline
Oh

Look to your left
Look to your right
I'll be right here
I'll be by your side
Look to your left
Look to your right
I'll be right here
I'll be by your side

Look to your left
Look to your right
I'll be right here

I'll be by your side
Look to your left
Look to your right
I'll be right here

I can be your lifeline
Stay with you 'til the sunrise
When you're low
It don't mean you're alone
I'll be by your side
Oh, I can be the reason
That you don't feel your demons
When you're low
It don't mean you're alone
I'll be by your side

Oh, I could be your lifeline
Oh, I could be your lifeline
Oh, I could be your lifeline
Oh, I could be your lifeline

You don't have to worry
No, no, no
No, no, no
You don't have to be alone
No, no, no
No, no, no
You don't have to be alone
