Alicia Keys, Like You'll Never See Me Again

If I had no more time No more time left to be here Would you cherish what we had? Was it everything that you were looking for? If I couldnt feel your touch And no longer were you with me Id be wishing you were here To be everything that Id be looking for I dont wanna forget the present is a gift And I dont wanna take for granted the time you may have here with me Cause Lord only knows another day is not really guaranteed

So every time you hold me Hold me like this is the last time Every time you kiss me Kiss me like youll never see me again Every time you touch me Touch me like this is the last time Promise that youll love me Love me like youll never see me again

Oh Oh Ohhhhh

How many really know what love is? Millions never will Do you know until you lose it That its everything that we are looking for When I wake up in the morning Youre beside me Im so thankful that I found Everything that I been looking for

I dont wanna forget the present is a gift And I dont wanna take for granted the time you may have here with me Cause Lord only knows another day is not really guaranteed

So everytime you hold me Hold me like this is the last time Every time you kiss me Kiss me like youll never see me again (can you do that for me baby) Every time you touch me (see we dont really know) Touch me like this is the last time (see everyday we never know) Promise that youll love me (I want you to promise me) Love me like youll never see me again (like youll never see me again)

Ohhh ohhh ohhh ohhh ohhh
