

# Alicia Keys, Rock Wit You

There's no escape on the spell you have placed  
Leaving my heart and my mind  
Foolish am I if I was to try  
To ever leave you behind  
I wanna rock wit you, come give me all your love  
No matter what we do, I wanna rock wit you  
Wit you wit only you, wit you wit only you  
I wanna rock wit you, rock wit you, baby  
I'll stay and walk this life wit you  
No matter what we may go through  
Dead broke, no job, no house, no ride  
I'm gonna stay right by your side  
I wanna rock wit you, come give me all your love  
No matter what we do, I wanna rock wit you  
Wit you wit only you, wit you wit only you  
I wanna rock wit you, rock wit you, baby baby  
Don't question where  
You're headed to, my love  
Don't be afraid  
Just believe in love  
I wanna rock wit you  
No matter what we do  
Wit you wit only you  
I wanna rock wit you  
I wanna rock wit you, gonna rock wit you, baby  
No matter what we do, gonna rock wit you, baby  
Wit you wit only you, gonna rock wit you, baby  
I wanna rock wit you, gonna rock wit you, baby  
I wanna rock wit you, gonna rock wit you, baby  
No matter what we do, 4.24  
Wit you wit only you, gonna rock wit you, baby  
I wanna rock wit you, 4.35  
Do your thing, do your thing  
Do your thing, do your thing  
Do your thing, do your thing
