

Alicia Keys, U Don't Know My Name

Baby,Baby,Baby,from the day I saw you
I really,really wanted to catch your eye
There's something special bout you I must really like you
Cause not a lot of guys are worth my type, oh,no
Ooh, baby baby baby it's gettin kind of crazy
Cause you are takin over my mind
And it feels like ooh.....
But you don't know my name
I swear it feels like ooh.....
But you don't know my name
round and round and round we go
will you ever know
Oh Baby baby baby I see us on our first date
you're doin everything that makes me smile
and when we had our first kiss it happened on a Thursday
and ooh it set my soul on fire ohh
ooh baby baby baby I can't wait for the first time
My imagination's runnin wild
It feels like ooh..
But you don't know my name
and I swear it baby
It feels like I say ooh....
But you don't know my name
round and round and round we go
will you ever know
(talking)
I'm sayin
He don't even know what he's doin to me
got me feelin all crazy inside
I'm feelin like ooh,ooh....ooh....
(singing)
Do nothin I've ever done
For anyone's attention
Take notice of what's in front of you
Cause did I metion you're bout to miss a good thing
and you'll never know how good it feels
to have all of my affection
and you'll never get a chance to experience
my lovin cause my lovin
feels like ooh...
but you don't know my name mmm
round and round and round we go
will you ever know
