

# Alicia Keys, You Don't Know My Name/Will You Ever

Baby, baby, baby  
From the day I saw you  
I really really want to catch your eye  
There's somethin' special 'bout you  
I must really like you  
'Cus not alot of guys are worth my time  
Ooh baby, baby, baby  
It's gettin' kinda crazy  
'Cause you are takin' over my mind  
And it feels like  
Ooh  
You don't know my name  
I swear  
It feels like  
Ooh  
You don't know my name  
(Round and round, round we go, will you ever know?)  
Ooh, baby, baby, baby  
I see us on our first date  
You're doin' everything that makes me smile  
And when we had our first kiss  
It happened on Thursday  
And ohh it set my soul on fire  
Ohh baby, baby, baby  
I can't wait for the first time  
My imagination's runnin' wild  
It feels like  
Ooh  
You don't know my name  
And I swear it baby  
It feels like  
Ooh  
You don't know my name  
(Round and round, round we go, will you ever know?)  
I'm sayin', he don't even know  
What he's doin' to me  
I been feelin' all crazy inside  
I'm feelin' like, ohh  
I'm doin' nothing I've ever done  
For anyone's attention  
Take notice of what's in front of you  
'Cus did I mention, you're about to miss a good thing  
And you'll never know how good it feels to have  
All of my affection  
And you'll never get a chance to experience  
My lovin'  
'Cus my lovin' feels like  
Ooh  
You don't know my name  
(Round and round, round we go, will you ever know?)  
And I swear it feels like  
Ooh  
You don't know my name  
(Round and round, round we go, will you ever know?)  
Will you ever know it?  
No no no no no  
No no  
Will you ever know it?  
Ima just have to go ahead and call this boy  
Hello  
Can I speak ta, ta Michel  
Oh hey, how you doin'?  
I feel kinda silly doin' this but  
This is the waitress from the coffee house

On 39th and Linex  
You know the one with the braids  
Yeah  
Well, I see you on Wednesdays  
All the time  
You come in every Wednesday on you lunch break  
I think, you always order the special  
Wit' the hot chocolate  
My manager be trippn' and stuff  
Tellin' us we gotta use water  
But I always use some milk and cream for you  
'Cus I think your kinda sweet, anyway  
You always got on a fly blue suit  
And your cuff links are shinnin'  
All bright  
So what you do?  
Oh weird?  
Yeah that's interesting  
Look man, I mean  
I don't wanna waist ya time but  
I know girls don't usually do this  
But I was wonderin' if maybe we could get together  
Outside the restaurant one day  
You know 'cause I do look alot  
Different outside my work clothes and  
I mean we could just go across the street  
To the park right hey  
Wait hol' up my cell phone breakin' up, hol' up  
Can you hear me now? Yeah  
So what day did you say?  
Ohh, that is perfect  
And it feels like  
Ooh  
You don't know my name  
(Round and round round we go, will you ever know?)  
Baby, baby I swear  
It's like ooh, ooh  
But you don't know my name  
Na na no  
And it feels like  
Ooh  
But you don't know my name  
And I swear on my mother and father it feels like  
Ooh ohh ohh ooh ohh ooh ooh ooh  
Will you ever know?
