

# Alicia Myers & One Way, I Want to Thank You

I want to thank You, Heavenly Father  
For shining Your light on me  
You sent me someone who really loves me  
And not just my body  
He keeps me happy so very happy he loves me  
I don't know how to be  
It's been a long time since I had someone who loves me  
I owe my thanks to Thee  
I know it could not happen without Your love  
Ooh without Your love  
It took a long time for it to happen  
But I knew those nights I prayed  
That You would send me someone who's real  
And not no one for play  
I kept the faith and didn't worry  
My nights grew longer than the days  
Until one day it really happen  
He sent true love my way  
I know it couldn't have happened without You  
Ooh without You  
When the time is right He'll fill your life with love and care  
Believe and He'll be there  
Just do all right don't do no wrong and the keep the faith  
For love will shine His light your way  
Thank You Father for shining Your light on me  
I prayed a long time for it to happen  
I did 'cause I believe  
He makes me happy, so very happy  
I don't know how to be  
It's been a long time since I had someone who loves me  
I owe my thanks to Thee  
I know it couldn't have happened without You  
Ooh without You  
I know it couldn't have happened without Your love  
(My nights were long and blue, until He sent me you)  
Ooh without Your love  
I know it couldn't have happened without You  
(My nights were long and blue, until He sent me you)  
Ooh without You  
I know it couldn't have happened without You  
(My nights were long and blue, until He sent me you)  
Ooh without You  
I know it couldn't have happened without You  
(My nights were long and blue, until He sent me you)  
Ooh without You
