

# Alicia Myers & One Way, You Get the Best from M

Hey Mr. Goodbye, you know who you are  
You're my sugar, sugar, sugar-coated baby  
Honey, you're my star  
I've traveled many miles just to find someone like you  
And no way I'm gonna give you up  
'Cause I know you feel the same way too  
Say say say say, say say say say  
Say say say say, say say say say  
Say Mr. Goodbye, you know who you are  
You're my sugar-coated, baby  
Honey, you're my star  
I've traveled many miles just to find someone like you  
And no way I'm gonna give you up  
'Cause I know you feel the same way too  
Say say say say, say say say say  
(You get the best of me)  
Say say say say, say say say say  
(You're all these eyes can see)  
Now, my thirst for love ended  
When my heart suggests about you  
That's when I knew you were Mr. Right for me  
The more I'm with you, the more I feel that it is true  
Keep on loving me, I love the way you do  
I've traveled many miles just to find someone like you  
And no way I'm gonna give you up  
'Cause I know you feel the same way too  
Say say say say, say say say say  
(You get the best of me)  
Say say say say, say say say say  
(You're all these eyes can see)  
Say say say say, say say say say  
(Don't you know you get the best of me)  
Say say say say, say say say say  
Say say say say, say say say say  
(Get the best)  
Say say say say, say say say say  
(I've traveled a mile to find someone like you)  
Say say say say, say say say say  
(You know you get the best)  
Say say say say, say say say say  
Say say say say, say say say say  
Say say say say, say say say say  
Say say say say, say say say say  
Say say say say, say say say say  
Say say say say, say say say say  
Say say say say, say say say say  
(Sugar-coated, baby)  
(You get the best from me)  
Say say say say, say say say say  
(You're my sugar-coated, baby)  
Say say say say, say say say say  
(Don't you know you get the best)  
Say say say say, say say say say  
Say say say say, say say say say  
(You're my star, Mr. Goodbye)  
Say say say say, say say say say  
(You, you are, you are the best)  
Say say say say, say say say say  
(You, you are, you are the best)  
Say say say say, say say say say  
(You, you are, you are the best)  
Say say say say, say say say say  
(You, you are, you are the best)  
Say say say say, say say say say  
(You, you are, you are the best)  
Say say say say, say say say say

(You get the best of me)  
Say say say say, say say say say  
(You're all these eyes can see)  
Say say say say, say say say say  
(Don't you know you get the best from me)  
Say say say say, say say say say  
Say say say say, say say say say  
(Best from me, the best from me)  
Say, say, say, say, say, say, say, say  
(You get the very best, Mr. Goodbye)
