

# Alicja Sękowska, Ready for Love

I am ready for love  
Why are you hiding from me  
I'd quickly give my freedom  
To be held in your captivity

I am ready for love  
All of the joy and the pain  
And all the time that it takes  
Just to stay in your good grace  
Lately I've been thinking  
Maybe you're not ready for me  
Maybe you think I need to learn maturity  
They say watch what you ask for  
Cause you might receive  
But if you ask me tomorrow  
I'll say the same thing

I am ready for love  
Would you please lend me your ear?  
I promise I won't complain  
I just need you to acknowledge I am here

If you give me half a chance  
I'll prove this to you  
I will be patient, kind, faithful and true  
To a man who loves music  
A man who loves art  
Respects the spirit world  
And thinks with his heart

I am ready for love  
If you'll take me in your hands  
I will learn what you teach  
And do the best that I can

I am ready for love  
Here with an offering of  
My voice  
My Eyes  
My soul  
My mind

Tell me what is enough  
To prove I am ready for love

I am ready
