Alicja Szemplińska i Tomson & Baron, As

(tuh-ru-tuh..)
(tuh-ru-tuh..)
As around the sun the Earth knows she's revolving
And the rosebuds know to bloom in early May
Just as hate knows love's the cure
You can rest your mind assure
That I'll be loving you always

As them can't reveal the mystery of tomorrow But in passing will grow older every day Just as all is born is new you know what I say is true That I'll be loving you always(extended)

Until the rainbow burns the stars out of the sky (allways)
Until the ocean covers every mountain high (hmmm uh, this is gonna be allways)
Until the day that eight times eight times eight is four (you know it's gonaa be allways)
Until the day that is the day that I'm no more(extended)

Did you know that true love asks for nothing Her acceptance is the way we pay Did you know that life has given love a guarantee To last through forever and another day

As today I know I'm living but tomorrow(yeahhhhh) Could make me the past But that I must'n fear

Now I know deep in my mind The love of me I've left behind

And I'll be loving you allways

background chorus

Until the rainbow burns the stars out of the sky (loving you)
