On bright days, make sundaes!
And tea time, is always
In short time with sunlight

We'll hopefully earase all the doubts
And you would be my dear
And I will drink a lonely...

Spring is here
And we're in full swing
Spring is here
And we're in full swing

Now bounce for fake showers
And wash away drought spouters
Don't corrup slide tweleve feet
Stir the potent and get me high

So we stir and we stir
And mix a drink I'll leave so pure
Recoups of gain represent
A short but sweet relations...

And we're in full swing
Spring is here
And we're in full swing [2X]

So we stir and we stir
And mix a drink I'll leave so pure
Recoups of gain represent
A short but sweet relations...

Spring is here
And we're in full swing
