

# Alisha's Attic, Adore U

Adore u  
I do, I do, I do  
And everything I am  
I would give to you  
My love, my love, my love  
And everything I pretend to be  
I will own up to  
I will crown you  
And drown in this your  
Blue glistening waterfall  
Nothing quite like it  
The wind on my paper boat sail you are  
And the trigger on my gun  
Adore u  
I said I do, I do, I do  
And everything I am  
I would give to you  
My love, my love, my love  
Don't ever walk away  
Don't ever walk away  
(I said don't ever walk away)  
Don't ever walk away  
Ooh, you take me high  
So high that I cannot come down  
I feel like I can fly  
I have my wings  
And I have no secrets  
And even if I am pretending  
Which I have a tendency to  
I'll admit it to you  
And drown in this your

Blue glistening waterfall  
Nothing quite like it  
The wind on my paper boat sail you are  
And the trigger on my gun  
Adore u  
I said I do, I do, I do  
And everything I am  
I would give to you  
My love, my love, my love  
I adore u  
(Don't ever walk away)  
I said I do, I do, I do  
And everything I am  
(Don't ever walk away)  
I would give to you  
My love, my love, my love  
Don't ever walk away  
I said don't ever walk away  
I adore u  
(Don't ever walk away)  
I said I do, I do, I do  
And everything I am  
(Don't ever walk away)  
I would give to you  
My love, my love, my love  
Don't ever walk away  
I said don't ever walk away  
Don't ever walk away
