

# Alisha's Attic, Can't Say Sorry

After it all  
It's a pain in the gut  
Cos we often get up  
For a war with each other and now  
I've won the last word  
Don't know if I can take it back

Oh it pains me to say  
I've buried it away  
With my pride, oh baby, it's time  
To stop you're sobbing  
I am not worth it at all

I won't say sorry

I can't say sorry to you baby  
If you just look into my eyes you'll see  
That I can't say sorry to you babe  
I'm a heartbreaker  
It just comes easily

I won't say sorry to you baby  
So you can put the blame on me  
I can't say sorry to you babe  
I'm a heartbreaker  
It's just so easy for me

After it all  
I can manage a smile  
I pretend for a while  
But the razor is still in my throat  
I just don't know if I can take it back

Oh it hurts me to say  
I've buried it away  
It's a chore and baby it's time  
To stop you're sobbing  
I am not worth it at all

I won't say sorry

I can't say sorry to you baby  
If you just look into my eyes you'll see  
That I can't say sorry to you babe  
I'm a heartbreaker  
It just comes easily

I won't say sorry to you baby  
So you can put the blame on me  
I can't say sorry to you babe  
I'm a heartbreaker  
It's just so easy for me

So take your chance  
Love has it's disguises  
Is there calm under the waves?  
Who knows? Love is full of surprises

I won't say sorry

I won't say sorry

I can't say sorry to you baby  
If you just look into my eyes you'll see

That I can't say sorry to you babe  
I'm a heartbreaker  
It just comes easily

I won't say sorry to you baby  
So you can put the blame on me  
I can't say sorry to you babe  
I'm a heartbreaker  
It's just so easy for me

I can't say sorry to you baby  
So you can put the blame on me  
I can't say sorry to you babe  
I'm a heartbreaker  
It's just so easy  
It's just so easy  
It's just so easy for me
