

# Alisha's Attic, Just The Way U Like It

Ooo, it's just as much as I can bear  
You're all around me, you are in the air  
It makes me tremble at the thought of getting close to you  
So save me from these thoughts that cross my mind  
Coz heaven knows I'm elated  
But I guess I'm inclined  
To feel this way when I think of you  
And you know I'm gonna do it  
Just The Way You Like It  
Just The Way You Like It  
It's cool to touch  
Coz I want you so much, and I'm doing it  
Just The Way You Like It, yeah, yeah  
Yeah, yeah

We sit at home and comparing minds  
I'll read your poetry, the rarest you'll find  
These crazy thoughts turn to rhyme  
When I'm here with you  
The candle flickers as we start to move  
And the music's playing out our favourite groove  
Under this moon I'm gonna make sweet love to you  
(and you know I'm gonna do it)

Just The Way You Like It  
(yes I am now)  
Just The Way You Like It  
(just the way you like it, baby)  
It's cool to touch  
Coz I want you so much, and I'm doing it  
Just The Way You Like It  
Just The Way You Like It  
(yes I am now)  
Just The Way You Like It  
(yeah)  
It's cool to touch  
Coz I want you so much, and I'm doing it  
Just The Way You Like It

And in this dream of endless space  
Our bodies moving set the pace  
Experimenting with infinity  
I'll tell you the secrets tonight  
Because you know I'll see you right

Just The Way You Like It  
Just The Way You Like It  
(hey)  
Just The Way You Like It  
(and I'm doing it, doing it  
the way) yeah, yeah  
Just The Way You Like It  
(yes I am now)  
Just The Way You Like It  
(just the way you like it, baby)  
It's cool to touch  
Coz I want you so much, and I'm doing it  
Just The Way You Like It (c'mon, baby)  
Just The Way You Like It  
(just the way..)
