

Alison Krauss, In Your Eyes

In your eyes, I see gentle rain
Springtime comes, in love again
puts me back on my feet again
and in your eyes, i feel no pain

and in my mind, I saw love walk past
a lovers dream within my grasp
I never knew I could fall so fast
but in your eyes I found love at last

I found your love waiting at my door,
I found a dream come true
I've never known a love like this before
and if you take me there, I'll be waiting for you

I found your love waiting at my door,
I found a dream come true
I've never known a love like this before
and if you take me there, I'll be waiting for you

In your eyes, I see gentle light
it gives me hope, it gives me life
it gives me love when I hold you tight
and in your eyes I found love tonight
and in your eyes I found love tonight
