

Alison Krauss, Last Love Letter

I'm writing my last love letter
And for reasons now, I don't know where to start
Seems so many times I've written down "I love you"
Well I hope this time I can get that through your heart

Only fools will go on and keep talkin' to a wall
But I can't fool around forever
And if stone is the wall that you've built around your heart
Then I guess it's goodbye in this letter

And maybe I was wrong to ever think that you could love me
I was hoping you just couldn't find the time
Have my efforts been in vain with pen and paper?
Did you ever care, did I ever cross your mind?

Only fools will go on and keep talkin' to a wall
But I can't fool around forever
And if stone is the wall that you've built around your heart
Then I guess it's goodbye in this letter
