

# Alison Krauss, Let Me Touch You For Awhile

It's been a long time coming,  
As you shed a lonesome tear.  
And now you're in a wonderama,  
I wonder what you're doin' here.

The flame no longer flickers,  
You're feeling just like a fool.  
You keep starin' into your liquor,  
Wonderin' what to do.

I don't hardly know you,  
But I'd be willin' to show you,  
A way to make you smile!  
Let me touch you for awhile.

I'm gonna ruin my black mascara.  
You're drinkin whiskey when it should be wine.  
You keep a-lookin' into that mirror.  
But to me you're lookin' really fine.

I don't hardly know you,  
But I'd be willin' to show you,  
I know a way to make you,  
Laugh at that cowgirl as she's walkin' out your door.  
I know a way to make you smile.

Just let me whisper things,  
You've never heard before.  
Just let me touch you, baby.  
Just let me touch you for awhile.

I don't hardly know you,  
But I'd be willin' to show you,  
I know a way to make you smile.

It's been a long time,  
Let me touch you for awhile.
