I've Got That Old Feeling

No matter what I say or do,

I just can't seem to get inside your heart

What have I done wrong?

Lately you're so far away,

You just don't seem to hold me like you used to

Something's going on

I've got that old feeling, you're leaving

I'm so tired of goodbye

I can't wait on your love forever

While you change your mind

Morning finds us face to face

I feel you staring through me while I'm talking

Familiar looks I recognize the same old looks that said goodbye the last time

Something I'm used to

I've got that old feeling, you're leaving

I'm so tired of goodbye

I can't wait on your love forever

While you change your mind
