

# Alison Krauss & Union Station, It Doesn't Matter

It doesn't matter what I want  
It doesn't matter what I need  
It doesn't matter if I cry  
Don't matter if I bleed  
You've been on a road  
Don't know where it goes or where it leads  
It doesn't matter what I want  
It doesn't matter what I need  
If you've made up your mind to go  
I won't beg you to stay

You've been in a cage  
Throw you to the wind, you fly away  
It doesn't matter what I want  
It doesn't matter what I need  
It doesn't matter if I cry  
Don't matter if I bleed  
Feel the sting of tears  
Falling on this face, you've loved for years
