

Alison Moyet, Weak In The Presence Of Beauty

It's a long time since I saw you
Well you know how time can fly
It seems like yesterday we were lovers
Now we pass each other by
But if we're left alone tonight
Don't ask me to hold you tight
I go weak
I go weak in the presence of beauty

All my friends keep asking
Why I'm quiet when you're around
But they don't know I think I'm so lucky
To stop myself from falling down
So later if you're on your own
Don't ask me to take you home

I go weak
I go weak in the presence of beauty

Cos if we're left alone tonight
I'll have no choice but to hold you tight

I go weak
I go weak in the presence of beauty

Darling I love you
There's no-one above you

You're my world
I used to be your girl
