

Alkaline Trio, Bleeder

You came to me like a dream
The kind that always leaves
Just as the best part starts
It ends so abruptly
And leaves you stunned and naked in your bedroom all alone.
Its kinda funny how something so soothing gets interrupted by the ring of a telephone.
And you broke me like the cigarette that I busted on the day I quit.
But now that I've been drinking,
I'm outta smokes and I wish that I hadn't
Woke up to my daily headache
And the realization that you are gone
Oh my sweet darling happiness
You've been away from me all along
One thing that I've never said
I'm truly happy in my heart and in my head
A lonely liver suspended in liquid
You came to me like a dream
The kind that always leaves
Just as the best part starts
It ends so abruptly
And leaves you stunned and naked in your bedroom all alone.
Its kinda funny how something so soothing gets interrupted by the ring of a telephone.
One thing that I've never said
I'm truly happy in my heart and in my head
A lonely liver suspended in liquid
Its one thing that I never did was smile
Missing a case, lacking a lid
My heart bleeds for what you never did...
You never did
For what you never did...
Never did.
For what you never did...
Never did...
For what you never did...
Never did...
Never did...
Never did...
You never did...
You never did...
Its one thing that I've never said, I'm truly happy in my heart and in my head.
A lonely liver suspended in liquid.
Its one thing that I never did was smile.
Missing a case, lacking a lid.
My heart bled for what you never did until now.
