

# Alkaline Trio, Halloween

[Originally by The Misfits]

Bonfires burning bright,  
Pumpkin faces in the night,  
I remember halloween.  
Dead cats hanging from poles,  
Little dead are out in droves,  
I remember halloween brown leaved vertigo,  
Where skeletal life is known,  
I remember halloween this day anything goes.  
Burning bodies hanging from poles  
I remember halloween,  
Halloween, halloween, halloween, halloween.  
Candy apples and razorblades,  
Little dead are soon in graves,  
I remember halloween this day anything goes,  
Burning bodies hanging from poles,  
I remember halloween, halloween, halloween,  
halloween halloween, halloween, halloween, halloween.
