All 4 1 - I Swear

=====  
I swear by the moon and the stars in the sky  
And I swear like the shadow thats by your side

I see the questions in your eyes  
I know whats weighing on your mind  
You can be sure I know my heart

`Coz Ill stand beside you through the years  
Youll only cry those happy tears  
And though I make mistakes  
Ill never break your heart

And I swear by the moon and the stars in the sky  
Ill be there  
I swear like a shadow thats by your side  
Ill be there

For better or worse, till death do us part  
Ill love you with every beat of my heart  
And I swear

Ill give you every thing I can  
Ill build your dreams with these two hands  
Well hang some memories on the walls

And when just the two of us are there  
You wont have to ask if I still care  
`Coz as the time turns the page, my love wont age at all

And I swear by the moon and the stars in the sky  
I swear (and I swear) like the shadow thats by your side  
Ill be there

For better or worse, till death do us part  
Ill love you with every beat of my heart  
And I swear

I swear (I swear) by the moon and stars in the sky  
Ill be there  
I swear like the shadow thats by your side  
Ill be there

For better or worse, till death do us part  
Ill love you with every (single) beat of my heart  
I swear, I swear, oh... I... swear...
