Have You Ever Been In Love

Written by Anders Bagge, Peer Astrom, Tom Nichols, Daryl Hall, Laila Bagge

Have you ever been in love

You could touch the moonlight

When your heart is shooting stars

You're holding heaven in your arms

Have you ever been in love?

Have you ever walked on air, ever

Felt like you were dreamin'

When you never thought it could

But it really feels that good

Have you ever been in love?

Have you ever been in love

You could touch the moonlight

When your heart is shooting stars

You're holding heaven in your arms

Have you ever been in love?

The time I spent waiting for something

That was heaven sent

When you find it don't let go

I know...

Have you ever said a prayer

And found that it was answered

All my hope has been restored

I ain't looking anymore

Have you ever been...

Some place that you ain't leavin'

Somewhere you gonna stay

When you finally found the meanin'

Have you ever felt this way?

The time I spent waiting for something

That was heaven sent

When you find it don't let go

I know...

Have you ever been in love

You could touch the moonlight

You can even reach the stars

Doesn't matter near or far

Have you ever been in love?

Have you ever been in love?

So in love
