

# All-4-One, These Arms

I hear the sound of your heart beating  
Don't say a word, I know what you're feeling  
Just hold me close, don't be afraid  
These arms won't let your heart break  
Just ask me girl, oh I surrender  
I'll make love to you, so soft and tender  
I promise you with every breath I take  
These arms won't let your heart break  
These eyes will worship and adore you  
These hands will love you every day  
Darlin' the only guarantee I can make  
These arms won't let your heart break  
Your wish is my command I'm right here for you  
Just take my hand, I'll love you like you want me to  
One thing for sure, make no mistakes  
My arms won't let your heart break  
These eyes will worship and adore you  
These hands will love you every day  
Darlin' the only guarantee I can make  
These arms won't let your heart break  
These eyes will worship and adore you  
These hands will love you every day  
Darlin' the only guarantee I can make  
These arms won't let your heart break  
These eyes will worship and adore you  
These hands will love you every day  
Darlin' the only guarantee I can make  
These arms won't let your heart break  
These arms won't let your heart break
