

# All-4-One, We Dedicate

All-4-One

And The Music Speaks

We Dedicate

jesus loves me this i know

he gave his life to let me know

how ever far that i may stray

he's only just a friend

jesus loves me i can say

he watches me both night and day

he show's his love

in many ways

and to him this is why i pray

jesus loves me he's my friend

he's been with me through thick and thin

and i sing this song to praise his name

for blessing me time and time again

jesus loves me this i sing

he blessed me with my family

a love so strong, a love so deep

that i only could here today

yes, jesus loves me

yes, jesus loves me

yes, jesus loves me

for the bible tell's me so

lord we dedicate

our heart's and our lives

our lives and song to (thank you father) me
