

# All-4-One, When I Needed An Angel

What can I say when I can't find the words  
To possibly explain what I'm feeling inside?  
I tried to believe, my hope got flattened everyday that passed me by  
And then you came in my life  
And now I am living proof  
Of what the gift of pure love can do  
When I needed an angel it was you who made the sacrifice  
Just in the nick of time  
When I needed an angel I didn't have to look to the sky  
'Cause you made me realize that you were right here all the time  
Right here all the time, right here all the time  
Sometimes I cry when I think about everything you've done for me  
And I still can't believe that I can live my life  
Every breath I take, I take for you and me  
That's a promise I'll keep  
And each night I think of you  
And how your gift of love pulled me through  
When I needed an angel it was you who made the sacrifice  
Just in the nick of time  
When I needed an angel I didn't have to look to the sky  
'Cause you made me realize you were right here all the time  
Right here all the time, right here all the time  
Maybe one day everyone will say that I wanna be somebody's angel  
And I will tell the world about this miracle  
Every moment I'm awake I'll give the love you gave, oh angel  
When I needed an angel it was you who made the sacrifice  
Just in the nick of time  
When I needed an angel I didn't have to look to the sky  
'Cause you made me realize that you were right here all the time  
You were right here all the time
