Honey Peeps

Lyrics And Music By Chad Price

I Woke Up To See Somebody Staring At Me
Through The Window I Knew It Was You
That's How We First Met I Was Watching You Undress
I Winked At You And You Threw A Shoe Called The Police
Honey Please Don't Do This To Me
I Wanna Ask You Out For Saturday Night
If You Bail Me Out I Know We Can Work It Out
I Picked You Cause I Knew That It Felt Right
You Dropped The Charges Then You Drove Me Home
That's When I Knew We Were Alone
I Did My Best To Thank You Gave Me Your Name And Number
And Said We Have A Date To Pick You Up And Don't Be Late
Angeline 264-5783 The Big House On The Corner That Looks Like
A Tangerine Great Big Windows Easy To See In
I Took My Chance And Moved In
I Turned On All My Charm I Put My Arms Around You
Explained The Way I Met You How I Never Meant To Hurt You
Said You Shouldn't Be Staring At Me Like That
But I Couldn't Turn Down My First Date Since I Moved To Town
We Went Out For A Year
One Day Her Smile Turned To Tears
Said We Can't Go On
I've Met Somebody New The Same Way I Met You Yeah
And He Nailed Me With His Charm
Honey Please Don't Do This To Me
Stick Around I Think That We Can Work It Out
Maybe What We Had Was Never Meant To Last
I Still Look In Your Window When I Pass Your House
Maybe What We Had Was Never Meant To Last
I Still Look In Your Window When I Pass Your House
