I Think The World

Lyrics By Bill Stevenson And Karl Alvarez
Music By Karl Alvarez
I Really Don't Care About World Affairs
I Keep Myself In Line
I Really Don't Care About Politix
It's Just A Waste Of Time
I'm Not As Dumb As You Think I Am
I Might Know A Thing Or Two
I Really Don't Care About Nothing At All
But I Think The World Of You
I Really Don't Care About World Peace
I Try Not To Be A Jerk
I Really Don't Care About The Meaning Of Life
Or My Place In The Universe

I'm Not As Dumb As You Think I Am
I Might Know A Thing Or Two
I Really Don't Care About Nothing At All
But I Think The World Of You
I'm Not Phobic, Philic, Sick Or Blind
People Want To Judge Me
They Exercise Their Open Minds
Call Me Names And Make Fun Of Me
I'm Not As Dumb As You Think I Am
I Might Know A Thing Or Two
I Really Don't Care About Nothing At All
But I Think The World Of You
I Really Don't Care About Nothing At All
But I Think The World Of You
I Really Don't Care About Nothing At All
But I Think The World Of You
