

# All, Man's World

It's a man's world she's leaving in  
It's a man's world and she's giving in  
Always wrong, all because it's a man's world  
A woman's work is never done  
A woman's job is a thankless one  
So she can cry all she wants to

[Chorus]

She has to fight to be heard  
She has to fight for all she's worth

[Chorus]

Self made sacrifice, she's paid the price  
Revenge, now she's playing to win  
Now she's made up her mind  
She will never be left behind  
She will try all she wants to

It's a man's world she's leaving in  
It's a man's world and she won't give in  
She's right this time  
Self made sacrifice, she's paid the price,  
Revenge, now she's playing to win  
She's not giving in
