All Saints, Black Coffee

Night Swimming Beach walking Always silent Never talking Then you call my name And I know inside I love you

Sail away I miss you more Until you see the shore There I will be waiting Anticipating

Each moment is new Freeze the moment Each moment is cool Freeze the moment

I wouldnt wanna be Anywhere else but... here I wouldnt wanna change Anything at all (Anything oh I..)

I wouldnt wanna take Everything out on... you Though I know I do (Although I know I do) Everytime I fall

Day dreaming Chain smoking Always laughin Always jokin I remain the same Did I tell you that I love you

Brush your teeth And pour a cup of black coffee out I love to watch you do that every day The little things that you do

Each moment is new Freeze the moment Each moment is cool Freeze the moment

I wouldnt wanna be Anywhere else but... here I wouldnt wanna change Anything at all (Anything oh I..)

I wouldnt wanna take Everything out on... you Though I know I do (Although I know I do) Everytime I fall

Hmmmmmm Hmmmmmm Each moment is cool Freeze the moment I wouldnt wanna be Anywhere else but... here I wouldnt wanna change Anything at all (Anything oh I..)

I wouldnt wanna take Everything out on... you Though I know I do (Although I know I do) Everytime I fall (Everytime I fall) (Everytime I fall)

I wouldnt wanna be Anywhere else but... here (Anywhere but here) I wouldnt wanna change (I wouldnt wanna change) Anything at all (Anything oh I..)
