

# All Saints, I Don't Wanna Be Alone

C'mon, c'mon, C'mon (x8)  
Cause I don't wanna be alone, no  
(I don't wanna be alone)  
I don't wanna be alone  
Wanna be alone  
Call my number when you get home  
I don't wanna be alone  
No, no, no  
Talking to myself from dusk til dawn  
In my fantasies  
You and me  
I can just imagine how it's gotta be  
But getting hot alone ain't no fun  
So I don't wanna be alone  
I'll do Voodoo  
Kinda spooks you  
Withdrawl symptoms in the afternoon  
I get head pains  
Got swelled veins  
Every night with you is never the same  
Every minute I intend to pretend that you love me  
And I get less lonely  
We'll hang out, get your clothes, leave the phone and come over  
I don't wanna be alone  
Wanna be alone  
Call my number when you get home  
I don't wanna be alone  
No, no, no  
Talking to myself from dusk til dawn  
In my fantasies  
You and me  
I can just imagine how it's gotta be  
But getting hot alone ain't no fun  
So I don't wanna be alone  
At night do you think that I'm haunting you  
When you sleep do you think of the things I do  
Do you think that you can commit to my constant demands  
(Constant demands for it)  
Tell your friend that it ain't no sin  
If he feels to join in  
You and me, me and you and him  
Or hang out  
Get your clothes, leave the phone and come over  
(Come over)  
Come over  
(Midnight)  
It's midnight  
Midnight midnight  
(Call you)  
So I call you  
Calling calling you  
(Cause I'm hungry for your love)  
Your love your love  
(Midnight)  
It's midnight  
Midnight midnight  
So I call you  
(Call you)  
So I call you  
Calling calling you  
(Cause I'm hungry...)  
Cause I'm hungry  
For your love  
Coz I don't wanna be alone

I don't wanna be alone  
Wanna be alone  
Call my number when you get home  
I don't wanna be alone  
No, no, no  
Talking to myself from dusk til dawn  
In my fantasies  
You and me  
I can just imagine how it's gotta be  
But getting hot alone ain't no fun  
So I don't wanna be alone  
I'll do Voodoo, kinda spooks you  
(I don't wanna be alone)  
I get head pains, got swelled veins  
(I don't wanna be alone)  
Every night I intend to pretend that you love me  
(I don't wanna be alone)  
We'll hang out, get your clothes, leave the phone and come over  
Cause I don't wanna be alone, no  
I don't wanna be alone  
Wanna be alone  
Call my number when you get home  
I don't wanna be alone  
No, no, no  
Talking to myself from dusk til dawn  
In my fantasies  
You and me  
I can just imagine how it's gotta be  
But getting hot alone ain't no fun  
So I don't wanna be alone  
(midnight)  
(Call you)  
(Hungry)  
Coz I don't wanna be alone  
I don't wanna be alone)
